Saturday evening a storm passed over the Southern section of our county doing considerable damage to wheat and buildings. At Mr. Walter Coleman's farm we are informed two barns were destroyed and much fencing scattered. The storm took a rather Southeasterly course, unrooting trees unroofing houses in its trail east.

Memorial Day

The U. D. C. presented a very interesting program on Monday at the Soldiers cemetery at old C. H., to a large audience.

Mr. R. L. Burke, orator of the day made a splendid speech the address to the World War Veterans of Mr. J. W. Flood was well timed and enjoyed. Mr. A. H. Clement spoke of the mothers and wives of the Confederacy and Adam Clement read a poem—a memorial to the dead on Flaunders Field.

The children decorated the graves, and the Daughtere sang patriotic songs, pinned poppies on the Veterans and feasted them and their wives at the drug store.

The following veterans, wives and widows were present. Let us hope the ranks of these will not be recuced at the next Memorial service.

Buckingham

There are five graduates from the Buckingham High School this year as follows: Hyram Buckner, Ethel Childress, Eliza Haskins, Mabel Rush, and Eleanor Davidson.

There is a state fund now available for vocational work and the districts that apply for money for this work will have to pay one-third of the teachers salary the state paying two-thirds. Now don't confuse the two terms vocational work and vacational work for they are distinct and separate.

All the teachers in the High School here have done good work and can retain their positions another year if they so desire. I dare say the graduates of this school this year have learned more about Civil Government than any graduate of former years.

Wyatt Pendleton is still in jail here pending the hearing of his case before the supreme court.

The Board of Supervisors have rented out a part of the poor house farm and will not plant any crop with the county's team this year. Looks like it would pay to sell the county farm and pay for the board of the few poor people who are there.

A contractor on bridge work is getting hands for $2 a day and they board themselves. $2 a day is what is being paid by the brick makers here.

There was a ball game played at Andersonville Saturday evening between the Buckingham and Andersonville teams the score being 15 to 8 in favor of Buckingham team.

Prof. D. N. Davidson expects to attend the Centennial Celebration at the University of Virginia.

Mr. John W. Haskins and Mr D. N. Patteson spent the week-end in Lynchburg.

Effort has been made to get a twice a day mail between here and Dillwyn as there are two trains a day bringing the mail there.

Rev. Mr. Moore, of Dillwyn was selected to preach the baccalaureate sermon there.

Some wild strawberries have been canned and we are watching the blackberries grow and hoping the fruit crop in the south may be good.

The vital statistic report of this district for the month of May contains three births and only one death.

Special lot of ladies and mens ten cents hose for Friday and Saturday of this week. This is an unusual good hose for this price. Mail orders filled promptly.

Lumber Back to Normal.

LUMBER has reached a price-level where its value bears the true and proper proportion to the value of the products you farmers raise and sell. In other words, prices today on lumber are consistent with prices on farm products.

THERE'S NOTHING MYSTERIOUS about it—just the old law of supply and demand—and a willingness on our part to play fair with our customer friends by reducing our prices to a point where you can afford to buy.

RIGHT NOW your problem may be a barn, a shed or other building necessary to help you do your work better, more quickly or more economically. Or it may mean a new home, or repairing and remodeling the old one.

BRING YOUR PROBLEM TO US—Let us show you the facts. We have many plans and suggestions, some of which you can probably use, and our friendly counsel and assistance won't obligate you in any way.

Come in the first convenient day and let's talk it over.

The Origin of Mother's Day

THE thought of a special MOTHER'S DAY originated with Miss Anna Jarvis of Philadelphia in 1908, who was requested to get up a special service for the church which she attended.

The movement grew to such an extent that on May 8th, 1914, a joint resolution was approved at Washington, calling upon the President to request the governmental officials and the people of the United States to display the U. S. Flag as a public expression of our love and reverance for the mothers of our country.

The second Sunday in May was designated by President Wilson, and has been nationally observed since that date.

"The [illegible] to us by by the American Mothers is the greatest source of the country's strength."

"God could not be everywhere, and therefore He made mothers."
